7. HCBS Waiver Services Spotlight - Chore Services

Jennifer, Manager of Collaborative Services provided an overview on the newest Home and Community Based Services (HCBS) waiver service, chore services. Chore Services include heavy household chores which

are needed to maintain the use of the home or provide a clean and safe environment. The services may be approved only when an unclean or cluttered living space impedes service delivery or increases the chances of injury from hazards. For individuals with hoarding disorders, these services are intended to be utilized with behavioral health services. The Participant must be actively engaged in behavioral health services or has been referred for a behavioral health consultation before Chore Services can be provided.

Feedback:

A provider who is planning to be a Chore Service provider asked if AmeriHealth is still waiting for approvals from OLTL?

Jennifer gave feedback that the Provider Network Team would be the group to speak with and we will connect provider following the meeting.

Next Steps: Nicole connected provider to Jennifer following the meeting.

8. HCBS Waiver Services Spotlight - “Your Long-Term Services and Supports (LTSS) Benefits” Webpage Review

Nicole, Manager of Community Outreach Programs reviewed the “Your Benefits” portion of the ACPCHC website. The “View your Long-Term Services and Supports” portion of the website has been added to provide additional information to those interested in learning about Long-Term Services and Supports, including Home and Community-Based Services.

Feedback: Provider asked if a participant logs into the portal, are they able to view their service plan? If so, a link on this page would be appreciated. We will find out and provide the group with an answer.

Next Steps: Nicole Ragab followed up with provider to let her know that yes, Participants can view their Service Plan from the Participant Portal.

9. HCBS Waiver Services Spotlight - Participant Directed Services Video

Lauren, DCW Workforce Program Manager reviewed ACP CHC plans to develop a participant-directed services video that will be shown to Participants as an educational tool. The video is currently in the development stage, but the plan is paying particular attention to the length of the video and making sure the video is available in multiple languages and with closed captioning. Lauren asked for feedback and recommendations on accessibility, format, and scope of the video.

Feedback: N/A
