

We Need Your Help to Prevent Fraud and Abuse

AmeriHealth Caritas Pennsylvania (PA) Community HealthChoices (CHC) works hard to identify and prevent fraud, waste, and abuse. But we still need all Participants to report possible fraud and abuse.

You can help AmeriHealth Caritas PA CHC find provider fraud, waste, and abuse by keeping track of:

- Who provided your health care.
- What services you received during the visit and any other tests or visits the doctor ordered.
- When you got a health care service.
- Where the service took place.

Call AmeriHealth Caritas PA CHC if you think the provider may have billed wrong or offered a service you didn't think you needed. Please remember, DO NOT:

- Give your ID card or numbers to anyone other than your doctor, clinic, hospital, or other health care provider.
- Ask your doctor or any other health care provider for medical services, prescriptions, or supplies that you do not need.
- Sign your name to a blank form.
- Share your medical records with anyone other than your doctor, clinic, hospital, or other health care professional.

To report possible fraud and abuse, please call the Fraud Hotline at **1-866-833-9718 (TTY 711)**. You have the option to remain anonymous at all times.

You can also report fraud and abuse to the Department of Human Services through any of the following:

- Go to the website: **www.dhs.pa.gov**.
- Send an email to **omaptips@state.pa.us**.
